

# SPRINGCREEK CHURCH

## 2022 GIVING UPDATE

We wanted to send this message to say THANK YOU!  
Thank you for your continued support and for believing in our vision to see the church reaching people in every community here and around the world with the message of Jesus.

*Look what you helped to accomplish already this year!*

### LIONHEART CHILDREN'S ACADEMY IS ROARING

Through our amazing partnership and almost a year of planning, renovating, and coordination, Lionheart opened right here at Springcreek in February and offers quality, affordable care, and education to over 200 children. Hear them roar!

### SPRINGCREEK CHURCH ONLINE IS LIVE

Our online Facebook group is live! Find devotionals & online bible study there as well as lots of valuable content, prayer requests, encouragement, inspiration, and more. Connect online with your Springcreek friends & family... join our 24-hour church!

### NEW LIFE THROUGH BAPTISMS

Your contributions help grow disciples! We have already celebrated with 46 of our church family as they stepped out and proclaimed their faith and salvation to the world through baptism!

### COMMUNITY GROUPS

Connecting is our purpose and we're excited to have had so many new groups launch this year. With a total of 36 amazing communities doing life together and more on the way, it's never too late! Get connected!

### STRATEGIC COMMUNITY

Springcreek wants to create space to connect with today's culture. We want to be more relational where all people can find common ground to share life together. Our mission is to design a space for connection between the church and community. Watch for exciting new developments and join us on this journey as we plan to GO and BE the Church.

**THANK YOU  
FOR YOUR GENEROSITY**
